## Statement of Conflict Minerals

YEONG YANG TECHNOLOGY CO., LTD. adheres to the Responsible Business Alliance (RBA) Code of Conduct and is committed to sourcing only non-conflict minerals from reliable sources. The company is taking and will take due diligence within our supply chain to assure "DRC Conflict-Free" for the Minerals of gold (Au), tantalum (Ta), tungsten (W), cobalt(Co), tin (Sn), and Mica are not derived from or sourced from mines in conflict areas of the Democratic Republic of Congo (DRC), or illegally taxed on trade routes, either of which are controlled by non-governmental military groups, or unlawful military factions. Trade routes not confirmed to be "Conflict Free" include direct exports from the DRC, as well as exports through Rwanda, Uganda, Burundi, Tanzania and Kenya (countries of whom the U.N. Security Council note are global export routes for DRC-mined minerals).

Yeong Yang Technology Co., Ltd. conducts Reasonable Country of Origin Inquiry (RCOI) regarding mineral sourcing, which includes:

1. Utilizing the Conflict Minerals Reporting Template (CMRT) and Extended Minerals Reporting Template (EMRT) issued by the Responsible Minerals Initiative (RMI), requiring suppliers to conduct due diligence and fill out the form. Once completed, suppliers are to return it to the relevant department within our company, providing accurate and comprehensive disclosure of their smelters' information.
2. Suppliers are required to annually sign a "Declaration of Non-Use of Environment Hazardous Substance" and provide a third-party analytical test report to confirm compliance with our company's policies.
